

Hanahan High School

6015 Murray Drive
Hanahan, SC 29410

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	9-12 High	Principal:	Richard J Raycroft
Enrollment:	1,068 students	Superintendent:	Mr. Michael Turner
School Phone:	843-820-3710	Board Chair:	Mr. James Hayes
School Website:	http://www.bcsdschools.net/hhs		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

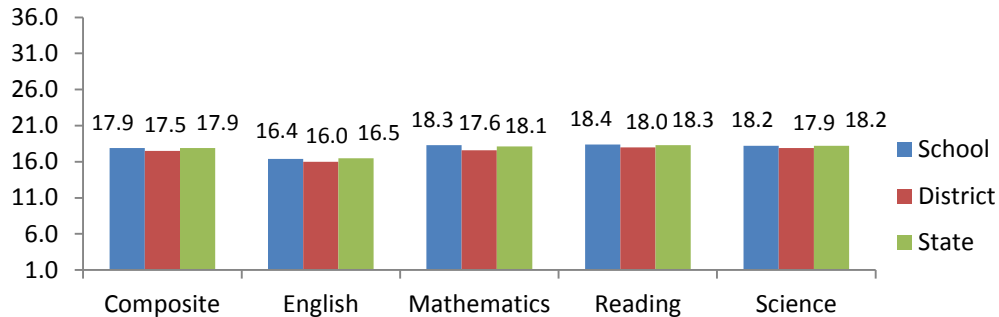

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Hanahan High School, located in southern Berkeley County, serves approximately 1,100 students from the Hanahan, Huger, Cainhoy, and Daniel Island communities. HHS offers a rigorous academic program and has a goal to maintain high educational expectations for all students. The school's mission and vision is to prepare its students for a highly competitive world while providing a safe and caring instructional environment that emphasizes academic rigor, high expectations and relevance at a global educational level. By building authentic and positive relationships between students, faculty, staff, and stakeholders alike, HHS strives to provide the total high school experience. The curriculum offered at HHS is designed to meet diverse student interests and needs while still maintaining a focus on career and college-preparedness. Students benefit from access to a variety of Advanced Placement, Honors, College Prep, Dual Credit, and Career Technical Education courses. Our incoming freshman class is placed in a Freshman Academy program designed to help with the transition from middle school to a high school academic institution. Toward this goal, the Academy creates a support system by building collaborative relationships between students, teachers, administrators, counselors, and parents. It is the goal that in establishing and maintaining these relationships in conjunction with support systems put in place to maintain the academic rigor at the high school level, all freshman students will achieve higher academic success. In offering a diverse curriculum that mirrors HHS's vision of challenging and empowering students to be successful, academic growth and achievement is evident in the assessment data. In AP classes, the top three subjects that had a percentage of students scoring a 3 or higher were Biology, Calculus, and English, including 100% of all students who took the AP Calculus exam. This academic success is due in large part to the positive school climate. Since 2011, the graduation rate improved by 12% and student attendance has also improved from 97.2% to 98.3%. All teachers and administrators at HHS are highly qualified and approximately 75% of all teachers have advanced degrees. 27% of the teachers at HHS are also National Board Certified and approximately 90% of the teachers are on continuing contract. Most impressively, HHS's own Teacher of the Year was the School District Teacher of the Year. The stability and high qualifications of HHS faculty and staff lend to the strong, positive school climate felt by teachers, students, and parents alike.

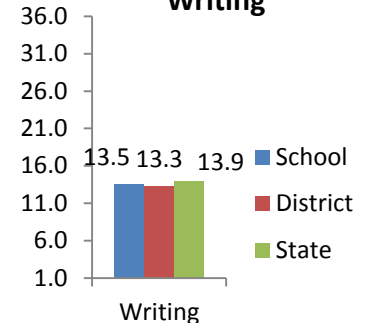

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

Average ACT Score Achieved by Students: English, Math, Reading, Science, Composite of all four tests, 2015

Average ACT Score Achieved by Students: Writing

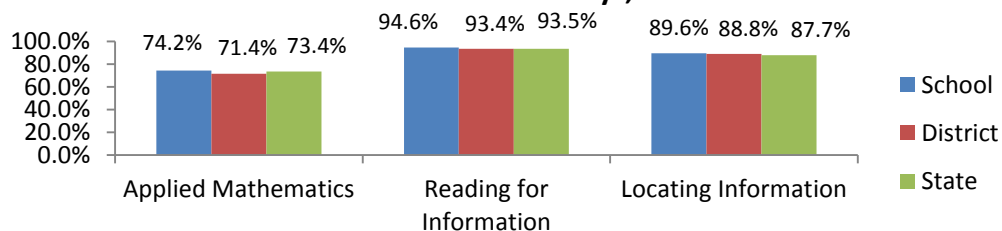

The ACT, a college readiness assessment, was given to every South Carolina 11th grader in 2015 with the exception of those eligible for alternate assessments. The ACT scores range from 0 to 36. The district and state averages are included for comparison. State averages for ACT data are based on regular public schools and do not include private schools in the state.

Percent of Students Meeting ACT College-Ready Benchmarks, 2015				
English Benchmark Score: 18	Math Benchmark Score: 22	Reading Benchmark Score: 22	Science Benchmark Score: 23	All 4 Subjects
40.2	24.6	29	16.1	10.7

ACT benchmarks are scores on the ACT subject-area tests that represent the level of achievement required for students to have a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in corresponding credit-bearing first-year college courses.

Percent of Students Meeting Platinum, Gold, or Silver Threshold on WorkKeys, 2015

ACT WorkKeys is a job skills assessment system measuring "real world" skills that employers believe are critical in the workplace. The assessment is given to every South Carolina 11th grader with the exception of those eligible for alternative assessments. The assessment consists of three subtests: Applied Mathematics, Reading for Information, and Locating Information. Students can earn certificates at the Platinum, Gold, Silver, and Bronze level on WorkKeys assessments.

The ACT is a registered trademark of ACT, Inc.
